

2009 FIBR Interdisciplinary Workshop

Discussing the question:

"Do Species Matter in Microbial Communities?"

**Presented by one of the NSF Frontiers in Integrative Biology Research Project Teams
Coordinated through Montana State University**

**August 3 - 5, 2009
Montana State University – Bozeman**

Name: _____

Affiliation: _____

Address: _____

Email: _____ Phone: _____

Academic Status: ____ Undergrad ____ Grad ____ Postdoc ____ Faculty _____ Other

Research Area: _____

Briefly describe your interest in microbial species:

Do you plan to attend the Yellowstone field trip? ____ Yes ____ No

Do you plan to submit a poster? ____ Yes ____ No

Do you have any special dietary or other needs?

Lodging: On campus housing is available for \$22.47/night shared or \$27.82/night private. Please see www.montana.edu/cs/accommodations.php for more information.

A block of 15 rooms is also being held at the City Center Motor Inn within walking distance of campus (cost \$107/single or double). Please call 406-587-3158 to reserve a room **before July 10**, and be sure to mention that you are with the FIBR Workshop.

Posters and Abstracts: We encourage all participants to submit posters for this meeting. Poster abstracts will be distributed electronically, and should be submitted by **17 July, 2009**.; Posters will be displayed for the duration of the meeting, and there will be an evening social and poster session for discussion and viewing.

Please send abstracts and posters to umbdw@montana.edu

Questions: Please contact Dave Ward at umbdw@montana.edu or (406) 994-3401.

Registration Fees: A fee of **\$275** will cover the cost of hosting the meeting, including catered meals for the days of scientific sessions, and lunch and transportation for the field trip.

Please mail completed registration form and check payable to “MSU Conference Services - FIBR” to:
